The Deputy Secretary to Government,
Development Department, Madras.

Sir,

Sub: ESTABLISHMENT - Leave-Grant of - Delegation of powers to the subordinate officers.

Ref: G.O.Ms.No.330, Development, dated 24-1-50.

In connection with the decentralisation of powers in this department with a view to possible retrenchment in staff, it was suggested to Government in my letter Roc. No.303 III/49 dated 12-4-1949, that the subordinate officers of this department may be empowered to grant leave and sanction increments to the Veterinary Assistant Surgeons, Upper Division Clerks, Head clerks and compounders and stockmen compounders working under them. Government, however, in the order quoted above, have authorised the District Veterinary Officers only to grant leave for short periods not exceeding a month, to the subordinates under their control provided that no substitute is appointed. As there xx are also other departmental officers besides the District Veterinary Officers, such as the Principal, Madras Veterinary College, the Superintendent, Veterinary Biological and Research Institute etc. under whom such members of staff are working, I now request that Government may be pleased to extend this delegation to the departmental officers other than the District Veterinary Officers also so that they may also grant leave to the subordinates under their control for periods not exceeding a month.

Yours faithfulyy,
